ABOUT US

For more than 30 years our company has organized the vacations of thousands of North Americans, Europeans and South Americans who visit Mexico, who come in search of knowing our historical wealth inherited by our ancestors and enjoy the wonderful landscapes of Mexico, in contact with nature and the indigenous communities that even inhabit our land.

ControlTur, with our experience division "Maya World Expeditions" offers you the possibility of providing its clients with the most exciting vacations in the Mayan World, our expeditions can be designed according to the needs, preferences and pleasures of its clients.
